Our expertise and state-of-the-art production facility could help you access the largest consumer-base in the region.

We are Zawaq Foods – a state-of-the-art food production and packaging facility located in Jeddah, Saudi Arabia. Established in 1994 and continuously maintaining technological advancements, we are equipped with the very latest production and packaging machinery from USA, UK and Holland and Japan. Our pursuit in excellence ensures that we use only the best raw materials from Europe and Asia in our locally manufacturing process. As a result, we meet the highest food safety and quality standards, and we are accredited by ISO 9001, ISO 22000 as well as JAS-ANZ.

Being a member of the Cigalah Group of Companies, we produce and market our own brands of snack

foods and cereals as well as a host of brands from others. Our extensive product portfolio is distributed throughout Saudi Arabia and we also export to other GCC, Middle Eastern and North African markets.

Zawaq Foods also has the facility to produce and package international principals/brands and private labels that adhere to strictly defined and controlled consistency standards. With established reputation for quality and over 25 years experience in delivering the best that the consumers enjoy, partnering with us would allow you to access the largest market in the region.

We cover complete production facilities for:

- Fabricated Potato Chips
- Corn Snacks
- Pellet Snacks
- Multi-grain Snacks
- Filled Biscuits
- Chocolate Crunch
- Breakfast Cereals and Oat products
- Co-Packing facilities for a range of Food Products

In addition, we also pride ourselves in

- innovation and product development (in conjunction with principals and suppliers)
- packaging development and/or localization
- marketing and distribution

Zawaq – Pellets to go

With our intrinsic knowledge of snack production techniques and raw material requirements to produce range of quality products, we have also developed a facility to supply a range of snack pellets that allow manufacturers to produce their own.
