

**KODANMAL**  
GROUP COMPANY LIMITED

## COMPANY HISTORY

Since 1988 the Kodanmal Groups has lead the way in exporting Thai food products to the world. During this time we have worked closely with hundreds of importers to develop tailor-made solution premised on quality, consistency, service and competitiveness, growing to a business with an annual turnover of US\$ 30,000,000 exporting around 100 containers a month.

Situated in the heart of Bangkok, Thailand, at Kodanmal we maximize our relationships with key industry partners in food production, sourcing and arranging logistics for the benefit of clients globally.

With the aim of being the preferred food products producer and exporter in the Kingdom of Thailand, Kodanmal's continued success has depended on our ability to meet the ever changing needs of our clients, while maintaining the strict quality and reliability that they have come to expect.

From order to final delivery, Kodanmal's dedicated team closely monitors every step of the process to ensure the complete satisfaction of our customers.

## OUR BRANDS

Thailand is renowned as the kitchen of Asia for its abundance of high quality produce, including the finest tropical fruits, vegetables, seafood and rice.

Recognized as one of the healthiest cuisines available, Thailand's enviable food reputation owes much to the diversity and care with which its products are grown and produced.

Since 1988, Kodanmal's food manufacturing and exporting business has focused itself on developing international quality food products grown and sourced throughout Thailand.

By taking a long – term partnership approach, Kodanmal's success is ensured by the success of our customers.
