Our International Reach

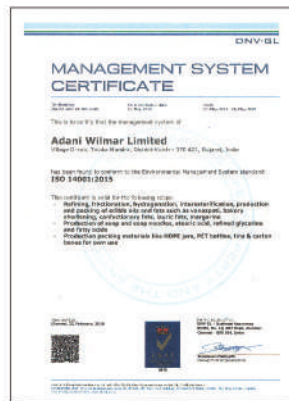

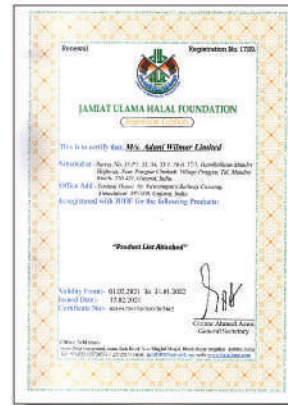

World-Class Quality

World-class quality is the Hallmark of AWL and its refined oils are no exception. The refined oils meet the globally acknowledged CODEX, WHO and FAO standards. It comes as no surprise that the standards set by AOCS are also met. Continuing in the same vein of excellence, the organisation is also accredited with ISO 9001, ISO 14001, ISO 22000, USFDA, Kosher, HALAL, FSSAI and other certifications.
