

Selektia Tartufi: truffle ambassador to the world

Selektia Tartufi, a treasure of Tuscany and ambassador of the high quality of Italian truffles in the world, will be present at the Saudi Food Show 2024.

Founded in 2008 in the renowned San Miniato area, Selektia Tartufi stands for excellence and tradition in truffle selection and processing, offering a diverse range of products from fresh and freeze-dried truffles to delicious truffle preparations and vegetables in oil.

This year's focus during the fair will also be on the 100% organic line, confirming the company's commitment to sustainability and consumer health.
