

Sterling Aromi SRL: innovation and technology in the F&B sector

Sterling Aromi S.r.l. is an Italian company, based in Como, specializing in the production of flavors and semi-finished products for the food, nutraceutical and pharmaceutical sectors.

The company was born from the highly technological and cutting-edge know-how of Sterling SPA, a company active in the active pharmaceutical ingredients production since 1977.

Sterling Aromi, with its many years of experience in the flavoring industry, is ready to stand out at The Saudi Food Show with its wide range of flavors prepared exclusively for the Food & Beverage sector.

At The Saudi Food Show, Sterling Aromi will showcase its commitment to innovation and customization, offering tailor-made solutions that meet customers' specific needs.

Sterling Aromi offers a wide range of products for the F&B sector, specifically:

- Non-alcoholic and alcoholic beverages
- Ice cream
- Bakery and confectionery products
- Cocoa, chocolate and derivatives
- Flavoring extracts from herbs and spices
- Truffle specialties
