PRODUCT MANUAL

## INK

当设计的焦点再次落在东方时，它反映了这个系列中的另一种风格。当墨水滴入池塘时，被晕染的色彩被设计成家具的表面；一个笔画和一个垂直的钩子构成了家具的骨架。刚柔并济，方中带圆，将风格和个性融合成一种时尚，这就是INK系列。

When the design spotlight shifts back to the East, it reveals yet another dimension within this series. Imagine ink delicately dripping into a tranquil pond, creating smudged hues that grace the furniture's surface. Each stroke, each vertical hook, meticulously forms the furniture's structural framework. The INK series masterfully blends rigidity and softness, harmonizing a circular essence within a square canvas, resulting in a truly fashionable expression.

## BOW

BOW 系列拥有简洁明快的线条，配合恰当的角度，令人想到跳跃的小鹿，又似张开的弓弩。纤细又充满力量，灵动又不失优雅。BOW 系列对空间非常友好，为了使所处环境视觉上更为通透开阔，一条椅腿可多达8个不同切面，达到了美学、力学、功用的完美统一。

The BOW collection features clean and dynamic lines. From the right angle, it evokes images of a youthful leaping deer or a gracefully drawn bow. Its strength and slenderness harmonize seamlessly, embodying both spirit and elegance. BOW is thoughtfully designed for urban living, innovating the foundation to create a stylish, functional, and visually appealing space. The signature leg of BOW achieves a perfect fusion of aesthetics, mechanism, and functionality.

## DUPLICATE

设计总是这样，再重复一次，回到这个细节再推敲一次。所向披靡的勇气值得赞许，但一步一步前进，甚至退后一步去回顾过往、精益求精更需要意志力。在各系列中，就希望来探讨这个议题。

Design is an iterative process—a perpetual revisiting of details. The courage to be invincible is commendable, yet true progress requires the willpower to advance step by step. Sometimes, we even take a step back to revisit the past, striving relentlessly for excellence. In each series, we delve into this very essence.

## AXIS

系列的灵感来源于指南针，以金属为框，感受对称的美感。按照中轴线旋转平移，上下、左右平衡对称，就像清晨去湖边看日出，水天之间交相辉映，也像蝴蝶煽动绚丽的翅膀。对称是这颗星球上最基本也是最持久的形势美法则，早在人类掌握之前，更会持续在未来的岁月之中。

The AXIS collection draws inspiration from compass, framing itself in metal to evoke symmetry. Guided by the rotation and translation of a central axis, it achieves balance—much like witnessing the sunrise over a tranquil lake, where water and sky harmonize. This symmetry, a timeless law of beauty predating human mastery, endures across the ages.

### NEAT

顾名思义，这个系列中，每一款作品都有一种优雅的顺序感。细腻优雅的气质隐藏在每一个圆弧中。从基本风格开始，通过细微的调整，设计师赋予这个系列珍珠般的气质。

True to its name, each piece in this series exudes an elegant sense of sequence. Within every rounded arc lies a delicate and refined temperament. Starting from the foundational style, the designer has subtly imbued this series with a pearl-like allure.

### ORIENT

ORIENT面向东历史进行了回溯。改良过的线条，更加利落简洁，却在零零碎碎的细节中，透露出似曾相识的熟悉。那是根植于血脉之中的心有灵犀，一个弧度、一个点缀或是一个形状，都悄然透露出秘密的位置：东方。

The ORIENT gazes toward the east. Its refined lines exude familiarity, subtly revealing the essence rooted in our blood—a secret location: the East.

### REBORN

以坚决的勇气重返荣耀丝路，守护经典，复兴重生，这是藏在品牌含义中的浪漫勇气，也存在以新生为名的系列中。丢掉包袱，丢掉思虑，回归到设计最初的状态，像新生般看待一件椅子、一组沙发、一个桌子，简洁，清澈。

Knights Craft embarks on a resolute journey, retracing the Silk Road of glory with unwavering courage. We stand as guardians of timeless classics, breathing new life into our creations. This romantic courage, woven into the fabric of our brand, also finds expression in our latest series—Reborn. Shedding burdens and discarding complexities, we return to the essence of design. Each chair, sofa set, and table emerges anew, embodying simplicity and clarity.

### SOLAR

SOLAR系列的灵感来源于不完美之美。大自然是大师级的工匠，我们常常对她的杰作、令人惊叹的海景和广阔的山脉感到敬畏。我们从不质疑黄山是否完美，因为我们知道它是完美的。每一个“不完美”都是我们精心打造的杰作。大自然有令人惊叹的海景和山脉，我们称之为太阳。

The SOLAR collection draws inspiration from the beauty of imperfection. Nature, the master artisan, leaves us in awe with her stunning seascapes and vast mountain ranges. We never question whether Mt. Huang is perfect because we know it is. Every 'imperfection' is meticulously woven into its fabric, creating a true masterpiece. Just as nature has her breathtaking seascapes and mountains, we proudly present our SOLAR collection.
