## Washbasins that won't let things overwhelm you.

Everything is concealed behind the edge of the washbasin on a recessed storage surface. Choose from 5 types of ceramic washbasins, in 8 colour finishes, both for deck-mounted or concealed version of taps.

# Effortlessly organizes your space

The Yard shelving unit perfectly mirrors the shape of the ceramic washbasin. With its simple yet precise craftsmanship, it becomes a unique, airy standalone piece alongside the washbasin.

## Colour options for furniture and washbasins

*\* washbasin only*

## Console for Washbasin

Mount the washbasin directly onto the wall using a steel console. It matches the shape of the washbasin and enhances its overall impression. Available in three color options.

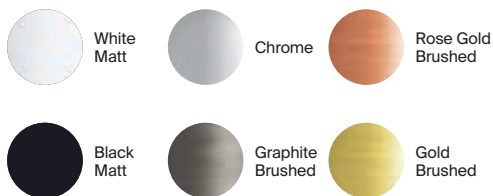

### Console colour options

## Fine-tune the details

Combine with other accessories - grates and taps available in six color options.
