

## PENINSULA COLLECTION

The furnishings of the Peninsula collection are perfect for those who love modern furniture lines and fine materials, with decorative details that emphasize the naval taste. A mix of soft shapes and contrasting geometric elements that, thanks to the brilliance of the finish, creates a play of soft reflections in which the lights of the environment reverberate. The rounded lines of the furnishings welcome guests in an atmosphere of another time, surrounding them with beauty, energy and balance in the forms.

### “Garden living” by Il Giardino di Legno

The trademarks of the collections by “Il Giardino di Legno” are the attention to details, the use of materials worked with the higher skills and the plot between innovation and tradition.

Thanks to the partnership between different companies and the continuous presence in international events, the brand is today distributed in over 50 countries throughout the world, from the USA to Japan. It has become a leading player in outdoor furniture market. The important know-how acquired throughout the years and the ability to manufacture specific items for any different design reality has led to continuative partnerships with important architectural and design firms to realise high-profile projects all over the five continents.
