

## **GRISSINI COLLECTION - design by CRS SILAT**

The Grissini collection is a perfect blend of contemporary aesthetics and Italian craftsmanship. This furniture series features clean lines, geometric details, and refined workmanship. The design of the Grissini collection is inspired by the elongated, linear shapes of Turin breadsticks. Suitable for both residential and contract spaces, Grissini furnishings blend seamlessly into gardens, terraces, and indoor environments. The structure is made of teak wood with an oil and wax finish. Tables and coffee tables are distinguished by the addition of double-twisted natural-colored water hyacinth rope. Cushion covers are made of ecru canvas fabric in the standard version.

## **“Garden living” by Il Giardino di Legno**

The trademarks of the collections by “Il Giardino di Legno” are the attention to details, the use of materials worked with the higher skills and the plot between innovation and tradition. Thanks to the partnership between different companies and the continuous presence in international events, the brand is today distributed in over 50 countries throughout the world, from the USA to Japan. It has become a leading player in outdoor furniture market. The important know-how acquired throughout the years and the ability to manufacture specific items for any different design reality has led to continuative partnerships with important architectural and design firms to realise high-profile projects all over the five continents.
