## TOYS COLLECTION - design by CRS SILAT

The Teak wood game furniture Toys collection offers exclusive and refined pieces, perfect for design and fun enthusiasts. Made from high-quality teak wood, these pieces are available in different finishes to suit any environment and style. Each item is designed to provide a unique gaming experience, combining functionality and aesthetics. Among the options, you will find foosball table, backgammon, as well as other classic games, all characterized by the solidity and elegance of teak.

## “Garden living” by Il Giardino di Legno

The trademarks of the collections by “Il Giardino di Legno” are the attention to details, the use of materials worked with the higher skills and the plot between innovation and tradition.

Thanks to the partnership between different companies and the continuous presence in international events, the brand is today distributed in over 50 countries throughout the world, from the USA to Japan. It has become a leading player in outdoor furniture market. The important know-how acquired throughout the years and the ability to manufacture specific items for any different design reality has led to continuative partnerships with important architectural and design firms to realise high-profile projects all over the five continents.
