

FUTURISTIC

The fantastic capitol chairs has seen in The Hunger Games movies (2012), are by Thai designer **Nuttapong Charoenkitivarakon**

MATERIAL : Cotton straps were the new material of the 21st century in the furniture industrial. They produced with high quality durable, washable and no color fade guarantee. They have two colors in one band. They have a soft surface and are strong in structure. Characteristics of all products are the pure design, functionality, high value for usage and ecological quality.

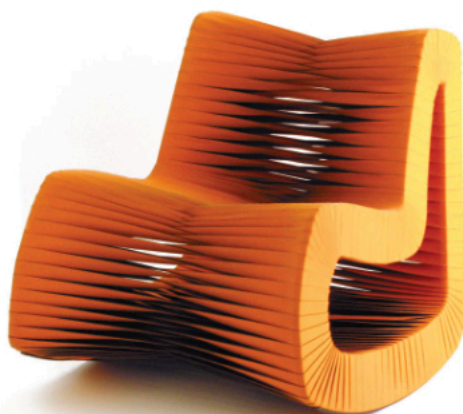

Featured THE HUNGER GAMES MOVIE

Sexy Dining Chair since 2004

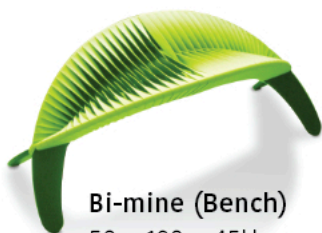

Originally created by hand-weaving remnants of industrial seat belt material, the designer of these iconic chairs can now have his ribbon woven to order. Stylish, innovative and extremely comfortable, crafted from two-sided cotton strap wrapped around a wood and steel frame.
