

AL MABANI

AL UMUMIYYAH

MANUFACTUERER & SUPPLIER
DUCTWORK & ACCESSORIES

ABOUT US

Al Mabani Al Umumiyah is a leading manufacturer of HVAC ducts and accessories in the Middle East, with branches in the UAE, Bahrain, and Egypt, headquartered in Abu Dhabi since 1994. With over 30 years of experience in producing and distributing HVAC products, Al Mabani has been involved in prestigious projects and worked with top MEP contractors in the region. They have completed **projects worth over AED 350 million** in Saudi Arabia and the UAE. Al Mabani has expanded its exports to Bahrain, Qatar, Oman, Egypt, Libya, and North Africa.

The company invests continuously in new products, technology, and manufacturing expertise. With a production facility in Riyadh, Saudi Arabia, equipped with advanced machinery, Al Mabani offers reliable and efficient **HVAC** product manufacturing services. They produce approximately **5500 sq.mtr** duct per shift in Riyadh and another 4000 - 5000 sq.mtr in Abu Dhabi.

Al Mabani offers all types of High-Quality Ductwork conforming to various international Ductwork Standards. The other product ranges include **GI Duct, BS/SS Duct, Pre-Insulated Duct, Aluminium Duct, Non-Coated Fire-Rated Duct, Dampers, Air Outlets, Sound Attenuators, VAV, Plenum Box, Access Door, Louver, Prefabricated Modules**, etc. These products undergo rigorous testing in accredited laboratories to ensure compliance with **ASHRAE, DW144, ASHRAE, and SMACNA** standards. Al Mabani's commitment to quality extends to their implementation of a certified **Quality Management System** under **ISO 9001:2015**, guaranteeing consistency and reliability in their manufacturing and assembly processes.

With a management team boasting over **60 years** of collective experience in the air-conditioning ductwork industry, Al Mabani ensures that projects are completed efficiently and within budget, supported by a skilled workforce dedicated to maintaining strength and reliability across all operations.

MISSION

In line with our core values, our mission is to innovate and build on our history of product excellence, to provide sustainable, reliable, quality products and services to our customers and set a continuously evolving standard for our industry as a whole

To deliver an integrated solution designed according to specification using state of art machinery of HVAC ductwork

VISION

Our vision is to be the Middle East leader in the field of **manufacturing HVAC systems** and workplace work quality solutions in order to provide a better, safer and healthier life for people everywhere.

Leading the Air Duct market by continuously providing an innovative optimum solution

OUR CORE VALUES

The company ethos stands for:

Integrity:

In our interactions with stakeholders.

Growth:

In sales, profits, and expertise.

Quality & Accuracy:

In outcomes, products, services, processes, methods, and management.

Progress:

Enhancing opportunities, fulfillment, and rewards for our people.

Customer Oriented:

We provide customized solutions for individual customer needs.

Technology:

In our specialties; research, methods, development, engineering, and manufacturing.

Productivity:

Al Mabani operates plants in Yanbu & Riyadh, producing 4000 to 5000 sqm daily to meet regional demand swiftly.
