MOSH SERIES

office furniture

开启舒适的办公模式，
成就非凡的你

Open a comfortable office mode,
and achieve an extraordinary you

产品设计理念 DESIGN SONCEPT

MOSH 是根据某品牌第 2 代人体工学椅上进行改造。对于产品时尚的元素进行保留，座椅在腰托和头部支撑进行优化，使产品更加符合人体坐姿需求。

AODA

T72 SERIES

The Adino T40 series combines great design with **German' Krall + Roth' (K+R) – imported flocking**. Softer than common nylon mesh, its striped fabric refines office spaces. Its fine elastic filaments show tech and craftsmanship. The pinnacle of quality, the epitome of ADINO.

Self weight adjusting synchronized mechanism with backrest return prevention safety function

Turn up to adjust the back angle:**90~110°**
the seat angle: **0~5°**

58mm Seat Depth Slider/ 5 positions

Turn up to adjust the seating height

KOREA imported– gas lift cylinders are highly praised for their outstanding features. They're extremely safe, with certifications from **TUV and SGS**, assuring users of reliable performance under high pressure.

The office chair features a supremely comfortable seat cushion crafted from eco – friendly materials.

(There's no deforestation involved, and it contains no formaldehyde or glue.)

T43 SERIES

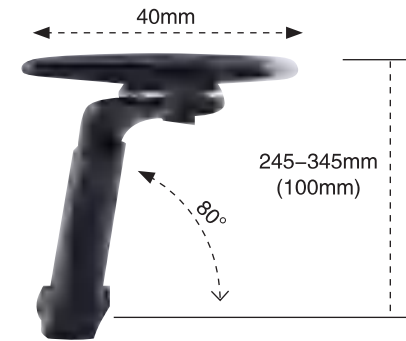

T50 SERIES

The Adino T50 series

In exclusive cooperation with South Korea's Wintex, uses new film breathable mesh fabric. Its elastic fibers are refined to 1/12 of the original, featuring good breathability, strong elasticity, high toughness, excellent transparency, and easy – to – clean stain – resistance. It's expected to be recognized by high – end customers in the high – end office chair market.

Airflow Mesh Fabric

Adino newest arrival Fabric Color fastness>Class 4, Abrasion resistance number>80,000 times, 0 Formaldehyde, Antibacterial index ≥ 5.0

4 Dimensional Armrests

4D armrests designed for you, these dynamic armrests keep your arms comfortable and supported.

W Shaped Seat

Its contoured design cradles hips, evenly distributes weight, reduces thigh pressure, and promotes proper spinal alignment for extended comfort.

Weight-Sensitive Tilt mechanisms

Automatically adapts tilt resistance and lumbar support to body weight, eliminating manual adjustments and reducing posture-related fatigue.

SK-6255

SK-6255G

Design concept:

The 6253 series adheres to Xinda's consistent design philosophy, featuring a 3D soft lumbar pillow for supporting and protecting the lower back. The combination of three layers of thick high-density sponge mimics the sitting experience of a sofa, allowing the body and mind to relax and providing an ultimate sense of comfort and envelopment.

Seat Upholstery Contact Layer

Garbriel Fabric offers natural breathability, Skin-friendly and comfortable.

High-Resilience Dynamic Support Layer

Honeycomb foam defeats heat with 40% more airflow while delivering cloud-like support—zero swamp back guaranteed.

Core Structural Base

Solid Wood base withstands 800lbs with nature-engineered resilience—turning daily stress into timeless grain elegance.

Class 4 Gas Lift (Top class in the world)

From South Korean, SGS-certified explosion-proof durability, 100K-cycle tested with 400lb load capacity.

The M19 series designers boldly adopted the design concepts from the Middle East, embedding geometric elements into the products. The back frame is available in classic black and gray, creating a strong visual impact and a powerful aesthetic appeal. It not only has a high degree of recognition but also possesses a unique artistic charm.
