

The only guarantee of it's kind: machines that work on arrival - or Sigma pays

Our personal guarantee and binding promise to you is that we guarantee you can take any machinery you buy from us straight from delivery to the job site with no downtime. That's been our promise to our customers for 50 years and we stick by it every single time.

Have confidence in our service; If the machine is not to your satisfaction or does not perform the way it should all you need to do is let us know and we will put it right. Guaranteed.

We're industry **leaders** for a reason

Through shared knowledge, expertise and insights, Sigma supplies your business with the right machinery for your project needs.

With 50 years of industry experience, we are experts in finding and supplying high-quality used piling and drilling machinery, prioritising strong relationships above all. Understanding our customers' needs and knowing exactly where to source the right equipment is our specialty.
