AVENUE

AVENUE

AVENUE è una collezione di rubinetteria monocomando dal forte impatto moderno ed essenziale.

Sviluppato intorno ad una cartuccia dal diametro di 25 mm, il design del miscelatore esprime un'innata eleganza e crea un perfetto accordo tra forme tondeggianti, superfici piane e linee squadrate. Il profilo estremamente sottile e lineare viene poi ulteriormente assottigliato dall'accentuarsi delle sfaccettature sulla bocca e dall'aeratore a scomparsa.

La collezione è dotata di cartuccia a dischi ceramici Ø 25 mm per lavabo e bidet e Ø 35 mm per incassi doccia.

AVENUE is a single-lever mixers collection with a strong modern and essential impact.

Developed around a 25 mm diameter cartridge, the design of the mixer expresses an innate elegance and creates a perfect harmony between rounded shapes, flat surfaces and squared lines. The extremely thin and linear profile is then further thinned by the faceting accentuation on the spout and by the concealed aerator.

The collection is equipped with ceramic disc cartridge, Ø 25 mm for basin and bidet and Ø 35 mm for shower mixer.
