NEXT SLIM

Semplice, elegante e dalle forme delicate, la collezione di rubinetteria monocomando NEXT SLIM è una scelta sicura per completare con stile ogni tipologia di arredo, dal più classico al più moderno.

La rotondità del corpo viene alleggerita da una leva di miscelazione geometrica e minimale, mentre la curvatura finale della bocca accentua la dolcezza del design e accompagna l'acqua nel suo fluire.

La collezione è dotata di cartuccia a dischi ceramici Ø 35.

Simple, elegant and with delicate shapes, the single-lever faucet collection "NEXT SLIM" is a safe choice to complete with style all bathroom interiors, from the most classic to the most modern one.

The roundness of the body is lightened by a geometric and minimalistic mixing lever, while the final bending of the mixer mouth accentuates the mildness of the design and accompanies the water in its flow.

The collection is equipped with a Ø 35 mm ceramic disc cartridge.
