**LEADING
THE WAY
FOR GREEN
BUILDINGS**

LEED Points

TALCO has successfully declared & published three of its major products namely Uncoated Aluminium profiles, Coated Aluminium profiles & Anodized Aluminium profiles at the EPD International AB Stockholm Sweden after third party verification. Talco is proud to be a part of this team/community and we also manufacture Cradle to Cradle certified Products.

HOW LEED WORKS?

LEED certified buildings save money, improve efficiency, lower carbon emissions and create healthier places for people.

They are a critical part of addressing climate change and meeting ESG goals, enhancing resilience, and supporting more equitable communities.

Cradle to Cradle Certified® is the global standard for products that are safe, circular and responsibly made.

BREEAM®

WHO IS USING LEED?

Projects pursuing LEED certification earn points for green building achievements across several categories.

- **GOVERNMENT AGENCIES**
- **HEALTHCARE FACILITIES**
- **ICONIC BUILDINGS**
