

YUNITCO Named Green Footprint Sponsor at IFAT Riyadh

Riyadh, Saudi Arabia.

Yanbu United Company (YUNITCO), a leader in sustainable environmental solutions, proudly announces its role as the Green Footprint Sponsor at IFAT Riyadh, one of the Middle East's premier exhibitions for environmental technologies and sustainability.

This sponsorship highlights YUNITCO's strong commitment to environmental stewardship, circular economy practices, and resource efficiency. As Green Footprint Sponsor, YUNITCO supports initiatives that reduce environmental impact and promote responsible industrial operations across key sectors, including Used Lubricating Oil, Waste Oil, Waste Hydrocarbons, Industrial Wastewater, and Contaminated Petroleum Products.

"Our Green Footprint sponsorship at IFAT Riyadh reflects YUNITCO's mission to drive measurable environmental progress and support sustainable industrial transformation. We are proud to stand alongside global innovators and regional leaders shaping a cleaner, more resilient future," YUNITCO stated.

IFAT Riyadh serves as a vital platform bringing together policymakers, industry leaders, and solution providers dedicated to advancing sustainability in Saudi Arabia and across the region. Through this partnership, YUNITCO aims to raise awareness, encourage collaboration, and accelerate the adoption of environmentally responsible practices that deliver long-term impact.

About YUNITCO

YUNITCO (Yanbu United Company) is a sustainability-driven environmental solutions provider specializing in the treatment and management of Used Lubricating Oil, Waste Oil, Waste Hydrocarbons, Industrial Wastewater, and Contaminated Petroleum Products. With a strong focus on innovation, compliance, and environmental responsibility, YUNITCO supports the Kingdom's sustainability objectives and promotes long-term environmental protection across industrial sectors.
