About Us

Jiaxing Brother United Fastener Co., Ltd is located in Haiyan qinshan industrial park, which is famous for its hardware. It close to Hangzhou Bay Bridge, Shanghai port and Jiaxing Zhapu port, which make it have strategic location and convenient transportation.

Our company is specialized in manufacturing and exporting all kinds of fasteners, including hex nuts, bolts, thread rods and washers etc. Our target is doing whatever we can do to meet different customers' needs. Our products are according with standards of DIN, ANSI, BS and ISO. Many customers who are the main importers in the international markets are united in praise for the quality of our products.

Our company not only has advanced equipments, excellent quality and nurturized management but also has outstanding foreign trade salesmen to supply best service for our customers. Please trust us! "Quality first and customer service first" is our tenet and goal.

And all this time, we are devoting ourselves to develop products for customers' requirements and establish a long-term business relation with our esteemed companies.

We sincerely hope to cooperate with clients from home and abroad, in order to seek common development.

brother united™

Corporate culture: Product quality is the life of an enterprise

Values: Focus on quality, honesty

First-rate hardware facilities fully ensures excellent product quality. Our company has been forging ahead towards an international reputable enterprise by means of modern production workshop and scientific standardized operation procedure. So far, every management system based on ISO9001 Quality System and 6S Management has formed a complete, strict operating system. We insist on whole production chain, high quality production and sophisticated process and technology.
