Lautier Flavours & Ingredients Announces Participation in SFM 2026

Company to exhibit its flavour, fragrance and ingredient portfolio at Stand 20-F24, Saudi Food Manufacturing Exhibition, Jeddah Superdome, 27–29 September 2026

KARACHI, PAKISTAN — September 7, 2026 —

Lautier Flavours & Ingredients (Pvt) Ltd, a Karachi-based manufacturer of premium flavours, fragrances and food ingredient solutions, today announced its participation in Saudi Food Manufacturing (SFM) 2026, one of the region's leading food industry exhibitions. The event will take place from 27–29 September 2026 at the Jeddah Superdome, Saudi Arabia.

Visitors to the exhibition can find Lautier at Stand 20-F24 (Shell Scheme, 3.00m x 4.00m), where the company will showcase its portfolio of liquid and powder flavours, fragrances, emulsions, fruit syrups, bake-stable jams and fillings, and chicken powder solutions — developed for the food, beverage, bakery, confectionery, dairy, snack, pharmaceutical, nutraceutical and home care industries.

Certified under FSSC 22000 and International Halal standards, Lautier is committed to delivering “the art & science of flavour and fragrance” through consistent quality, innovation and long-term partnerships with manufacturers across the region.

SFM 2026 brings together food manufacturers, ingredient suppliers and industry professionals from across Saudi Arabia and the wider region, offering Lautier an opportunity to connect with new and existing partners in one of the fastest-growing food markets in the Middle East.
