ABOUT US

Jossan Grains Private Limited is a leading manufacturer, miller, and exporter of premium Basmati and Non-Basmati Rice from Punjab, India. Established in 2000 and headquartered in **Sandhe Hasham, Ferozepur-Punjab** the heart of India's renowned Basmati Rice Bowl, we proudly carry over **25+ years of excellence, trust, and innovation** in the global rice industry.

Our world-class manufacturing facility is equipped with advanced processing technology, automated production systems, spacious covered warehouses, and a dedicated Research & Development and Quality Assurance team, ensuring exceptional quality from sourcing to shipment. As a **Government of India Recognized Two Star Export House** with internationally recognized certifications, we consistently deliver products that meet the highest global standards.

Our diverse portfolio includes premium **1121, 1718, 1509, 1401, Pusa, Sugandha, PR-11, RH-10, Sarbati**, and other specialty rice varieties in Steam, Sella, Golden, White, and Lemon categories. Driven by quality, integrity, and customer satisfaction, we proudly serve domestic and international markets with excellence in every grain.

VISION

MISSION

VISION

Our mission is to share the authentic taste and aroma of pure Basmati rice with the world. Guided by strong values and a rich legacy, JOSSAN GRAINS continues to grow as a trusted global rice miller and exporter, reaching new heights with quality and excellence.

MISSION

Our mission is to deliver premium-quality rice from the fertile lands of Punjab, India, to customers around the world by combining traditional taste with modern processing technologies, stringent quality control, and internationally recognized food safety standards. We are committed to producing rice that reflects the authentic aroma, purity, and rich heritage of Punjab while consistently exceeding customer expectations.

Driven by our core values of quality, integrity, innovation, and customer satisfaction, we strive to strengthen our global presence and establish Punjab's finest rice as a trusted choice in international markets. Our goal is to expand our exports to more than 50 countries by 2030, making our brand a globally recognized symbol of excellence, authenticity, and sustainable growth.

CHAIRMAN MESSAGE

Dear Employees, Shareholders, Customers & Business Partners,

At Jossan Grains Private Limited, we believe excellence is built on quality, trust, and long-term partnerships. As a Government of India recognized Two Star Export House, we are committed to delivering premium Basmati Rice and food products that consistently meet the highest international standards.

I sincerely appreciate the visionary leadership of our Managing Director, **S. Ranjit Singh Jossan**, whose dedication continues to drive the Company's growth. His contribution as **Vice President, Basmati Rice Millers & Exporters Association**, Punjab, and **Governing Body Member**, All India Rice Exporters Association, reflects our commitment to the advancement of India's rice industry. I also acknowledge the valuable contribution of our Director, **S. Harpreet Singh Jossan**, in strengthening operational excellence and business growth.

As we expand our global presence, we are diversifying our portfolio with **Spices, Pulses**, and other value-added food products, while investing in a **17 MW Solar** Power Project to promote sustainable and responsible growth.

Together, we will continue building a globally respected brand through integrity, innovation, and excellence.

*Warm Regards,

S. DARSHAN SINGH SHERKHA
(CHAIRMAN)
(Member S.G.P.C. Sri Amritsar)

WHY “JOSSAN GRAINS”

At Jossan Grains, excellence is not merely a commitment it is the cornerstone of our identity. As a Government of India Recognized Two Star Export House, we uphold the highest international standards in food safety, quality assurance, and export compliance. Every grain of Basmati and Non-Basmati Rice is processed under globally recognized quality management systems, ensuring exceptional purity, consistency, and complete traceability for customers across international markets.

Strategically located in **the fertile Basmati-growing region of Punjab, along the banks of the historic Sutlej River**, our advanced manufacturing facility provides direct access to the finest paddy-growing areas. This prime location enables efficient procurement, optimized logistics, reduced operational costs, and superior value, allowing us to deliver premium-quality rice at highly competitive prices without compromising excellence.

Our state-of-the-art packaging division is engineered to handle over 500 metric tonnes of rice daily.

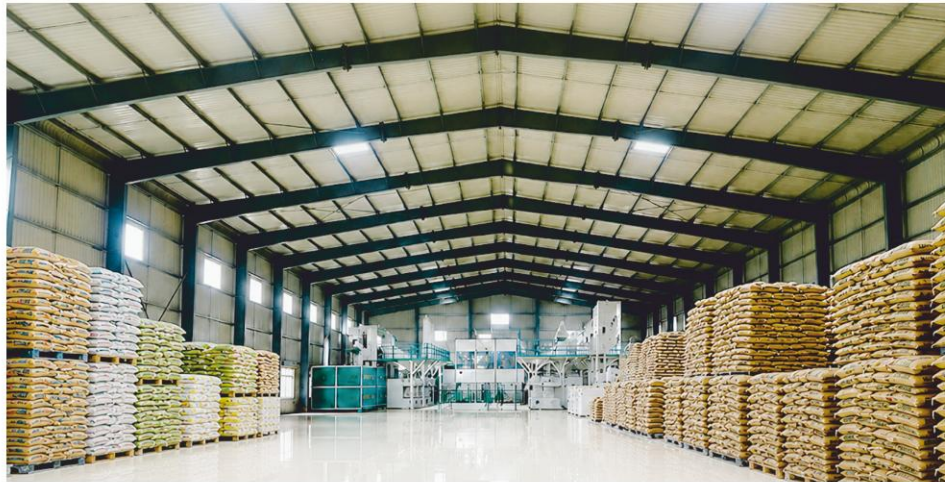

OUR STATE-OF-THE-ART FACILITY

INFRASTRUCTURE & MANUFACTURING FACILITY

Jossan Grains operates a state-of-the-art rice processing facility spread across **12 acres** in Punjab. Our fully automated **250 MT per day** parboiling plant, combined with a **24 MT/hour Bühler (UK) milling** line, ensures hygienic processing while preserving the natural aroma and quality of every grain. Equipped with **6 advanced SATAKE (Japan)** sorting units, modern cleaning and polishing systems with a 30 MT/hour processing capacity, and scientifically designed storage infrastructure comprising 40,000 MT of paddy storage and 20,000 MT of covered rice warehouses, our integrated facility delivers world-class quality, efficiency & food safety standards for global markets.
