We have announced its participation in The Saudi Food Show 2027, scheduled to take place from September 27–29 at the Jeddah Superdome, Saudi Arabia.

Ferozepur, Punjab-INDIA: Jossan Grains Private Limited, one of Punjab's leading manufacturers and exporters of premium Basmati rice, has announced its participation in **The Saudi Food Show 2027**, scheduled to be held from **September 27–29, 2027** at the **Jeddah Superdome, Saudi Arabia**.

The company has been participating in the prestigious exhibition for the **last four consecutive years**, using the platform to strengthen global partnerships and showcase the authentic taste and quality of Punjab's world-renowned Basmati rice. With **more than 25 years of excellence** and recognition as a **Government of India Two-Star Export House**, Jossan Grains continues to expand its presence in international markets.

Based in **Sandhe Hasham, Ferozepur**, in the heart of Punjab's Basmati-growing region, Jossan Grains exports premium Basmati and Non-Basmati rice varieties to customers across the **Middle East, Africa, Europe, North America, Southeast Asia, Australia, and other global markets**. The company's advanced rice processing facility, equipped with modern milling, parboiling, and quality control systems, ensures the highest international standards of food safety and product quality.

Speaking on the occasion, **Mr. Ranjit Singh Jossan, Managing Director, Jossan Grains Private Limited**, said:

"Saudi Food Show has become one of the most important global platforms for the food industry. Our participation over the last four years has helped us strengthen relationships with existing buyers while creating new international business opportunities. We are proud to represent Punjab's premium Basmati heritage and remain committed to delivering world-class quality rice to customers across the globe."

- **About Jossan Grains Private Limited**
