The Art Of Perfection Preserved For Your Table.

Enhance your Meals and Support your Health with our Premium Canned Tomatoes, 100% made in Europe, 100% made in Italy.

Napoli, Italy - 14 July 2025 — In today's fast-paced world, maintaining a nutritious diet is more important than ever. Recognizing this, ANICAV – the Italian Association of Canned Vegetable Industries – is delighted to introduce its high-quality canned tomatoes to consumers across **Saudi Arabia** — a convenient, delicious, and healthful ingredient that can elevate everyday meals and contribute to a healthier lifestyle.

Why Choose EU and Italian Canned Tomatoes?

- **Powerful Antioxidants:** With a high concentration of lycopene, they help combat oxidative stress and support a healthy heart, aligning with Saudi Arabia's increasing focus on wellness and preventive health.
- **Nutrient-Dense:** Packed with Vitamin C, crucial for immune function, and Vitamin K, which supports bone health, Red Gold from Europe canned tomatoes are an easy way to boost daily nutrient intake.
- **Natural and Pure:** ANICAV members' products are carefully processed without artificial preservatives, colours, or additives, offering consumers a wholesome, natural choice rooted in quality.
- **Convenient and Versatile:** Whether preparing traditional Saudi dishes like Kabsa, Najdian stews, or international cuisines, EU canned tomatoes simplify cooking without compromising on flavour or nutrition.
- **Halal:** Fully compliant with halal standards, assuring consumers of products that respect their religious and cultural values.
- **Sustainable and Responsible:** At ANICAV we are committed to sustainable practices that protect the environment. Our packaging is eco-friendly, and we source our tomatoes responsibly, supporting local agriculture and promoting environmental stewardship.

A Trusted Partner for your Kitchen and Health

“Our mission is to provide Saudi families and culinary creators with high-quality, nutritious ingredients they can trust,” said **Giovanni De Angelis, ANICAV General Director**. “Our canned tomatoes not only add flavour to your meals but also deliver essential nutrients that support health and well-being. We believe that nutritious eating should be simple, accessible but at the same time delicious. ANICAV is dedicated to providing high-quality, health-conscious food options rooted in sustainability and cultural respect.”
