

Synergizing AI with Digital Humanism

With a strong presence across **India, the Middle East, Europe, and the United States**, we partner with startups, enterprises, and unicorns to design, develop, and scale digital products that shape the future.

About Antino

Antino, founded by IIT and IIM alumni, is an ISO 27001 and CMMI Level 3 certified AI Consulting and Digital Transformation company. In its 7-year journey, the company has grown from a bootstrapped venture to a team of 650+ engineers, successfully delivering over 300+ projects for leading global enterprises.
