

LUXOL PREMIUM SATIN

Your walls stay brilliant after cleaning

OUR DECORATIVE PRODUCTS

LUXOL: Luxol is our premium and super premium quality product designed to give maximum durability in tropical conditions, combining maximum opacity with ease of application and excellent finish for both exterior and interior.

LUXOL PREMIUM SATIN: Formerly known as 'Cintay' is an interior washable water-based emulsion paint with a satin finish and good colour retention. It is a high-performance finish that allows for easy cleaning and light scrubbing. Suitable for high-traffic areas - living rooms, children's rooms, hospitals, schools, and offices.

SUPERSTAR: Superstar is Berger's standard and market-quality paint supplied mainly to the consumer market. It is marketed in a range of bright to deep colours to give your space a long-lasting finish.

RUPHIDE: Ruphide is a wall putty for concrete/mortar walls and ceilings. It has superior adhesion, cohesion, and durability by rendering a smooth and plain surface for all kinds of paint.

TEXCOTE: A textured finish with built-in properties for a high abradation and long-lasting film to give unequaled beauty in both exterior and interior wall decoration.
