

LAUDARTE

COMPANY PROFILE

WHERE CLASSIC BEAUTY BECOMES LIGHT

The **classical language** is deeply rooted in **Italian culture**: proportion, ornament, noble materials, and theatrical lighting.

LAUDARTE was born from this tradition, interpreting it through decorative lamps inspired by **Baroque** and **Neoclassical** elegance.

The **Royal Palace of Caserta**, an eighteenth-century masterpiece by **Luigi Vanvitelli**, stands as the ideal foundation for this vision: a place where architecture, decoration, and light merge to create a monumental yet harmonious experience.

From this dialogue between Italian classicism, the cultural heritage of Campania, and fine craftsmanship, **LAUDARTE** defines its identity, creating luminous piece of Art **that preserve the memory of classical beauty** and transform it into timeless elegance.

OUR HISTORY

Founded more than **thirty years ago** out of the **Fiorucci family's** passion for fashion and design.

LAUDARTE is today a global **icon of luxury** lighting and interior design, a true ambassador of **Made in Italy** excellence. Its name, "**Lode all'Arte**" (**Praise to Art**), reflects its philosophy: transforming light into a timeless work of art.

Since **2025**, the maison opens a new chapter, bringing together artisanal mastery, material research, and the cultural heritage of **Southern Italy**, a land of light and the historic heart of the Kingdom of the **Two Sicilies**.

THE VALUE OF SKILLED HANDS

Every **LAUDARTE creation** takes shape through a slow, precise, and carefully controlled process, where design vision and artisanal expertise meet.

From the first drawing to the final finish, each piece **is individually crafted by expert artisans**, combining traditional techniques with meticulous attention to detail.

Quality is revealed in the finest details: **proportions, surfaces, ornaments, reflections, and finishes** are refined with the same care reserved for a work of decorative art.

PRECIOUS MATERIALS THAT SHAPE THE LIGHT

At **LAUDARTE**, material is not merely a finish. It is an essential part of the design.

Bronze and **brass** bring structure, warmth, and sculptural presence. **Marble** adds natural brilliance and timeless solidity. **Crystal** and **glass** create transparency, reflections, and fine geometries, while Murano glass allows for unique and elaborate forms.

Capodimonte porcelain, with its refined Neapolitan tradition, gives life to delicate decorative details. **Mosaic**, **mother-of-pearl**, and precious stones introduce precious chromatic effects, making each creation rich, distinctive, and luminous.

Each material carries its own history, technique, and luminous quality, becoming part of **LAUDARTE**'s decorative identity.

THE COLLECTIONS HERITAGE AND MASTERS

LAUDARTE expresses its vision through two complementary souls.

Heritage preserves the charm of the classical tradition, with creations inspired by the richness of Italian decorative arts.

Masters brings the same culture of detail into a more contemporary, essential, and international spirit.

Two different collections, united by a single vision: transforming light into **presence**, **character**, and **atmosphere**.

HERITAGE COLLECTION

MASTERS COLLECTION

TAILORED LIGHT FOR EXTRAORDINARY INTERIORS

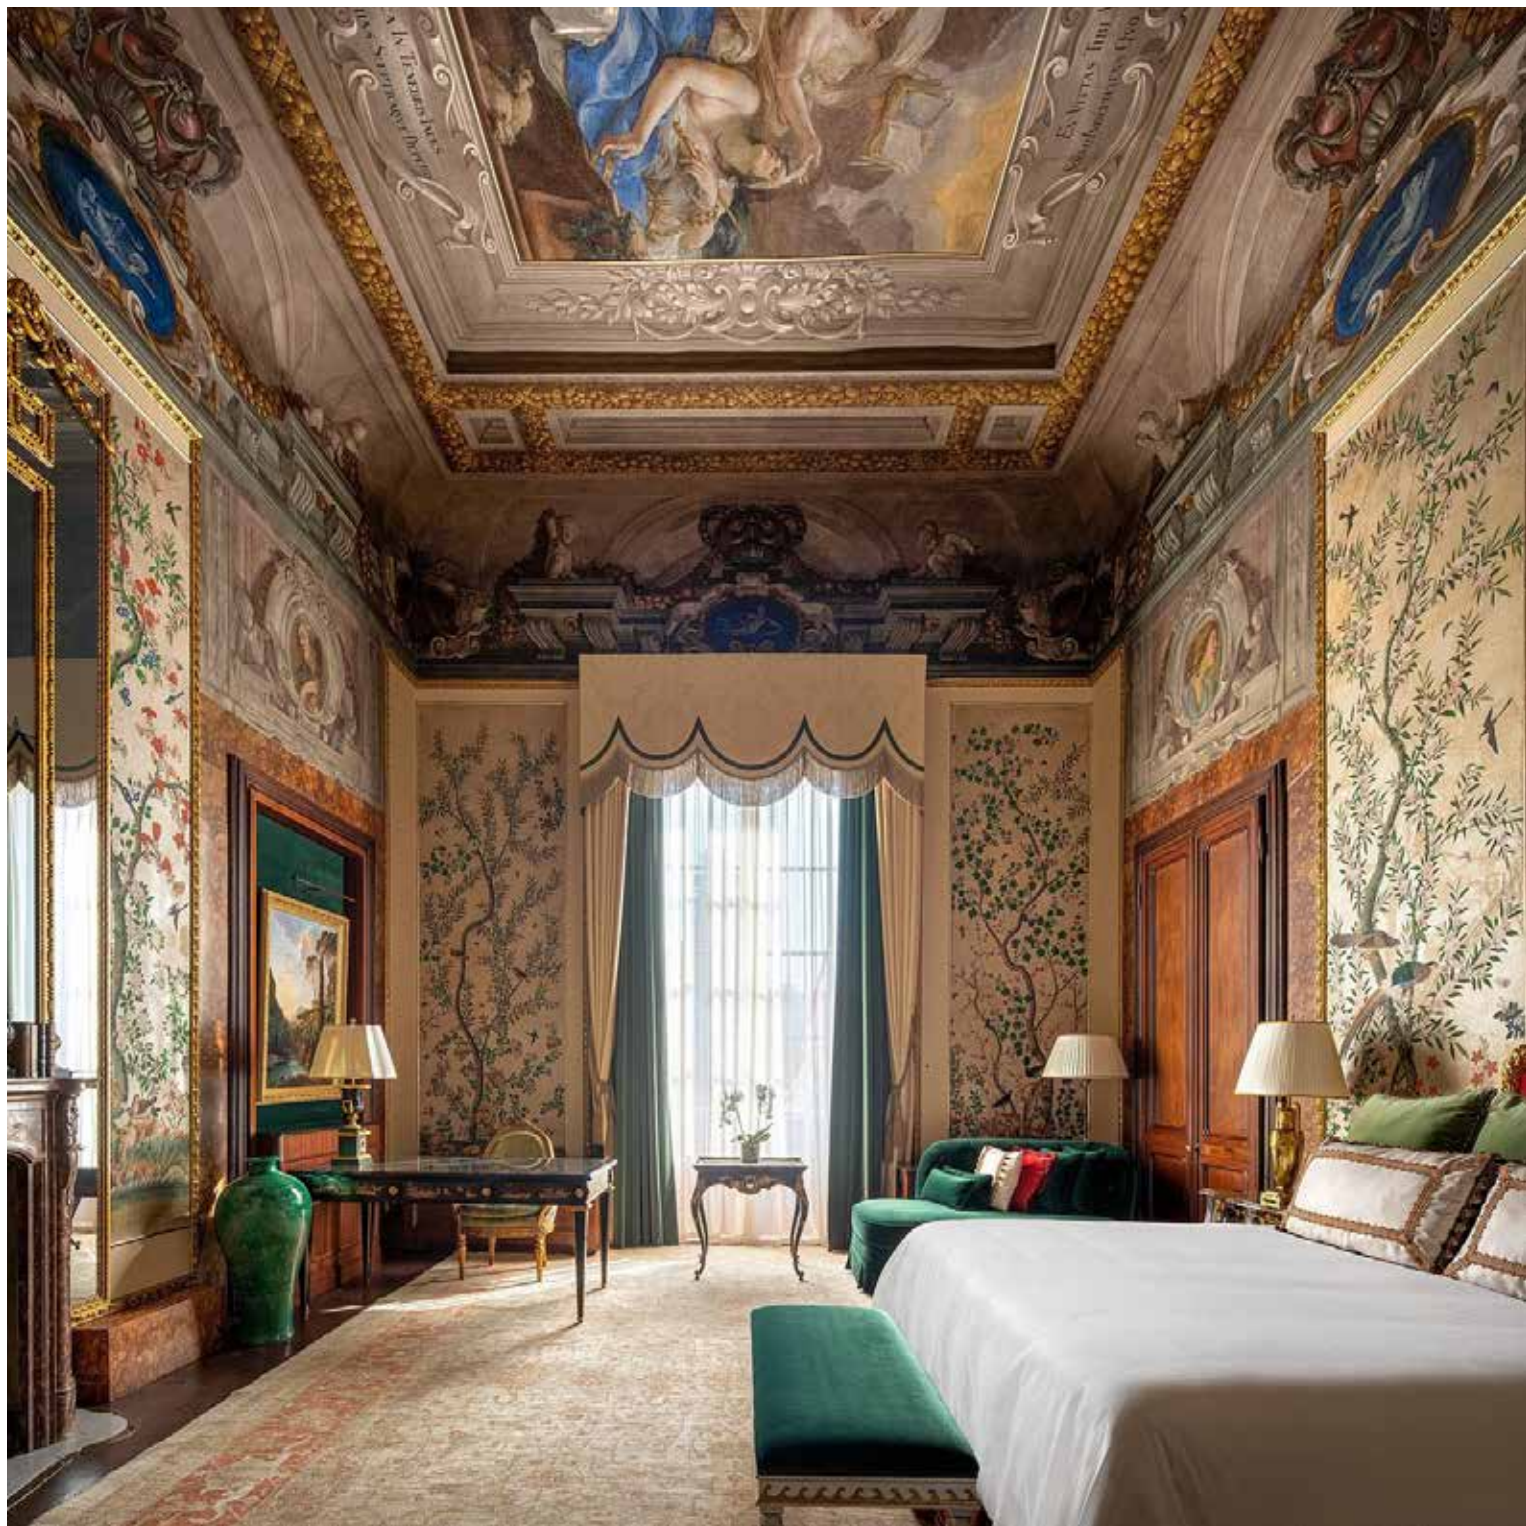

Bespoke is one of **LAUDARTE**'s core capabilities.

Each project begins with the **understanding of a space**: its **proportions, atmosphere, architectural style** and **functional needs** guide the development of the lighting solution.

LAUDARTE can **adapt an existing creation** or **develop a dedicated piece**, combining forms, materials, finishes and components according to the requirements of the project.

From **luxury hospitality** to **yachts**, from **private residences** to **historic palaces**, every intervention becomes a balance between the identity of the place and **LAUDARTE's savoir-faire**.
