Truck Rental

Li-Ion inside

An iceberg floating in the ocean. The visible tip represents the 'Rental Rate', while the much larger submerged part represents the 'Value' of the rental service, which includes maintenance, parts, service, repair, tires, and batteries. A white arrow points down from the submerged part to the text '= Value!', and a grey arrow points up from the water surface to the 'Rental Rate' text.

Rental Rate

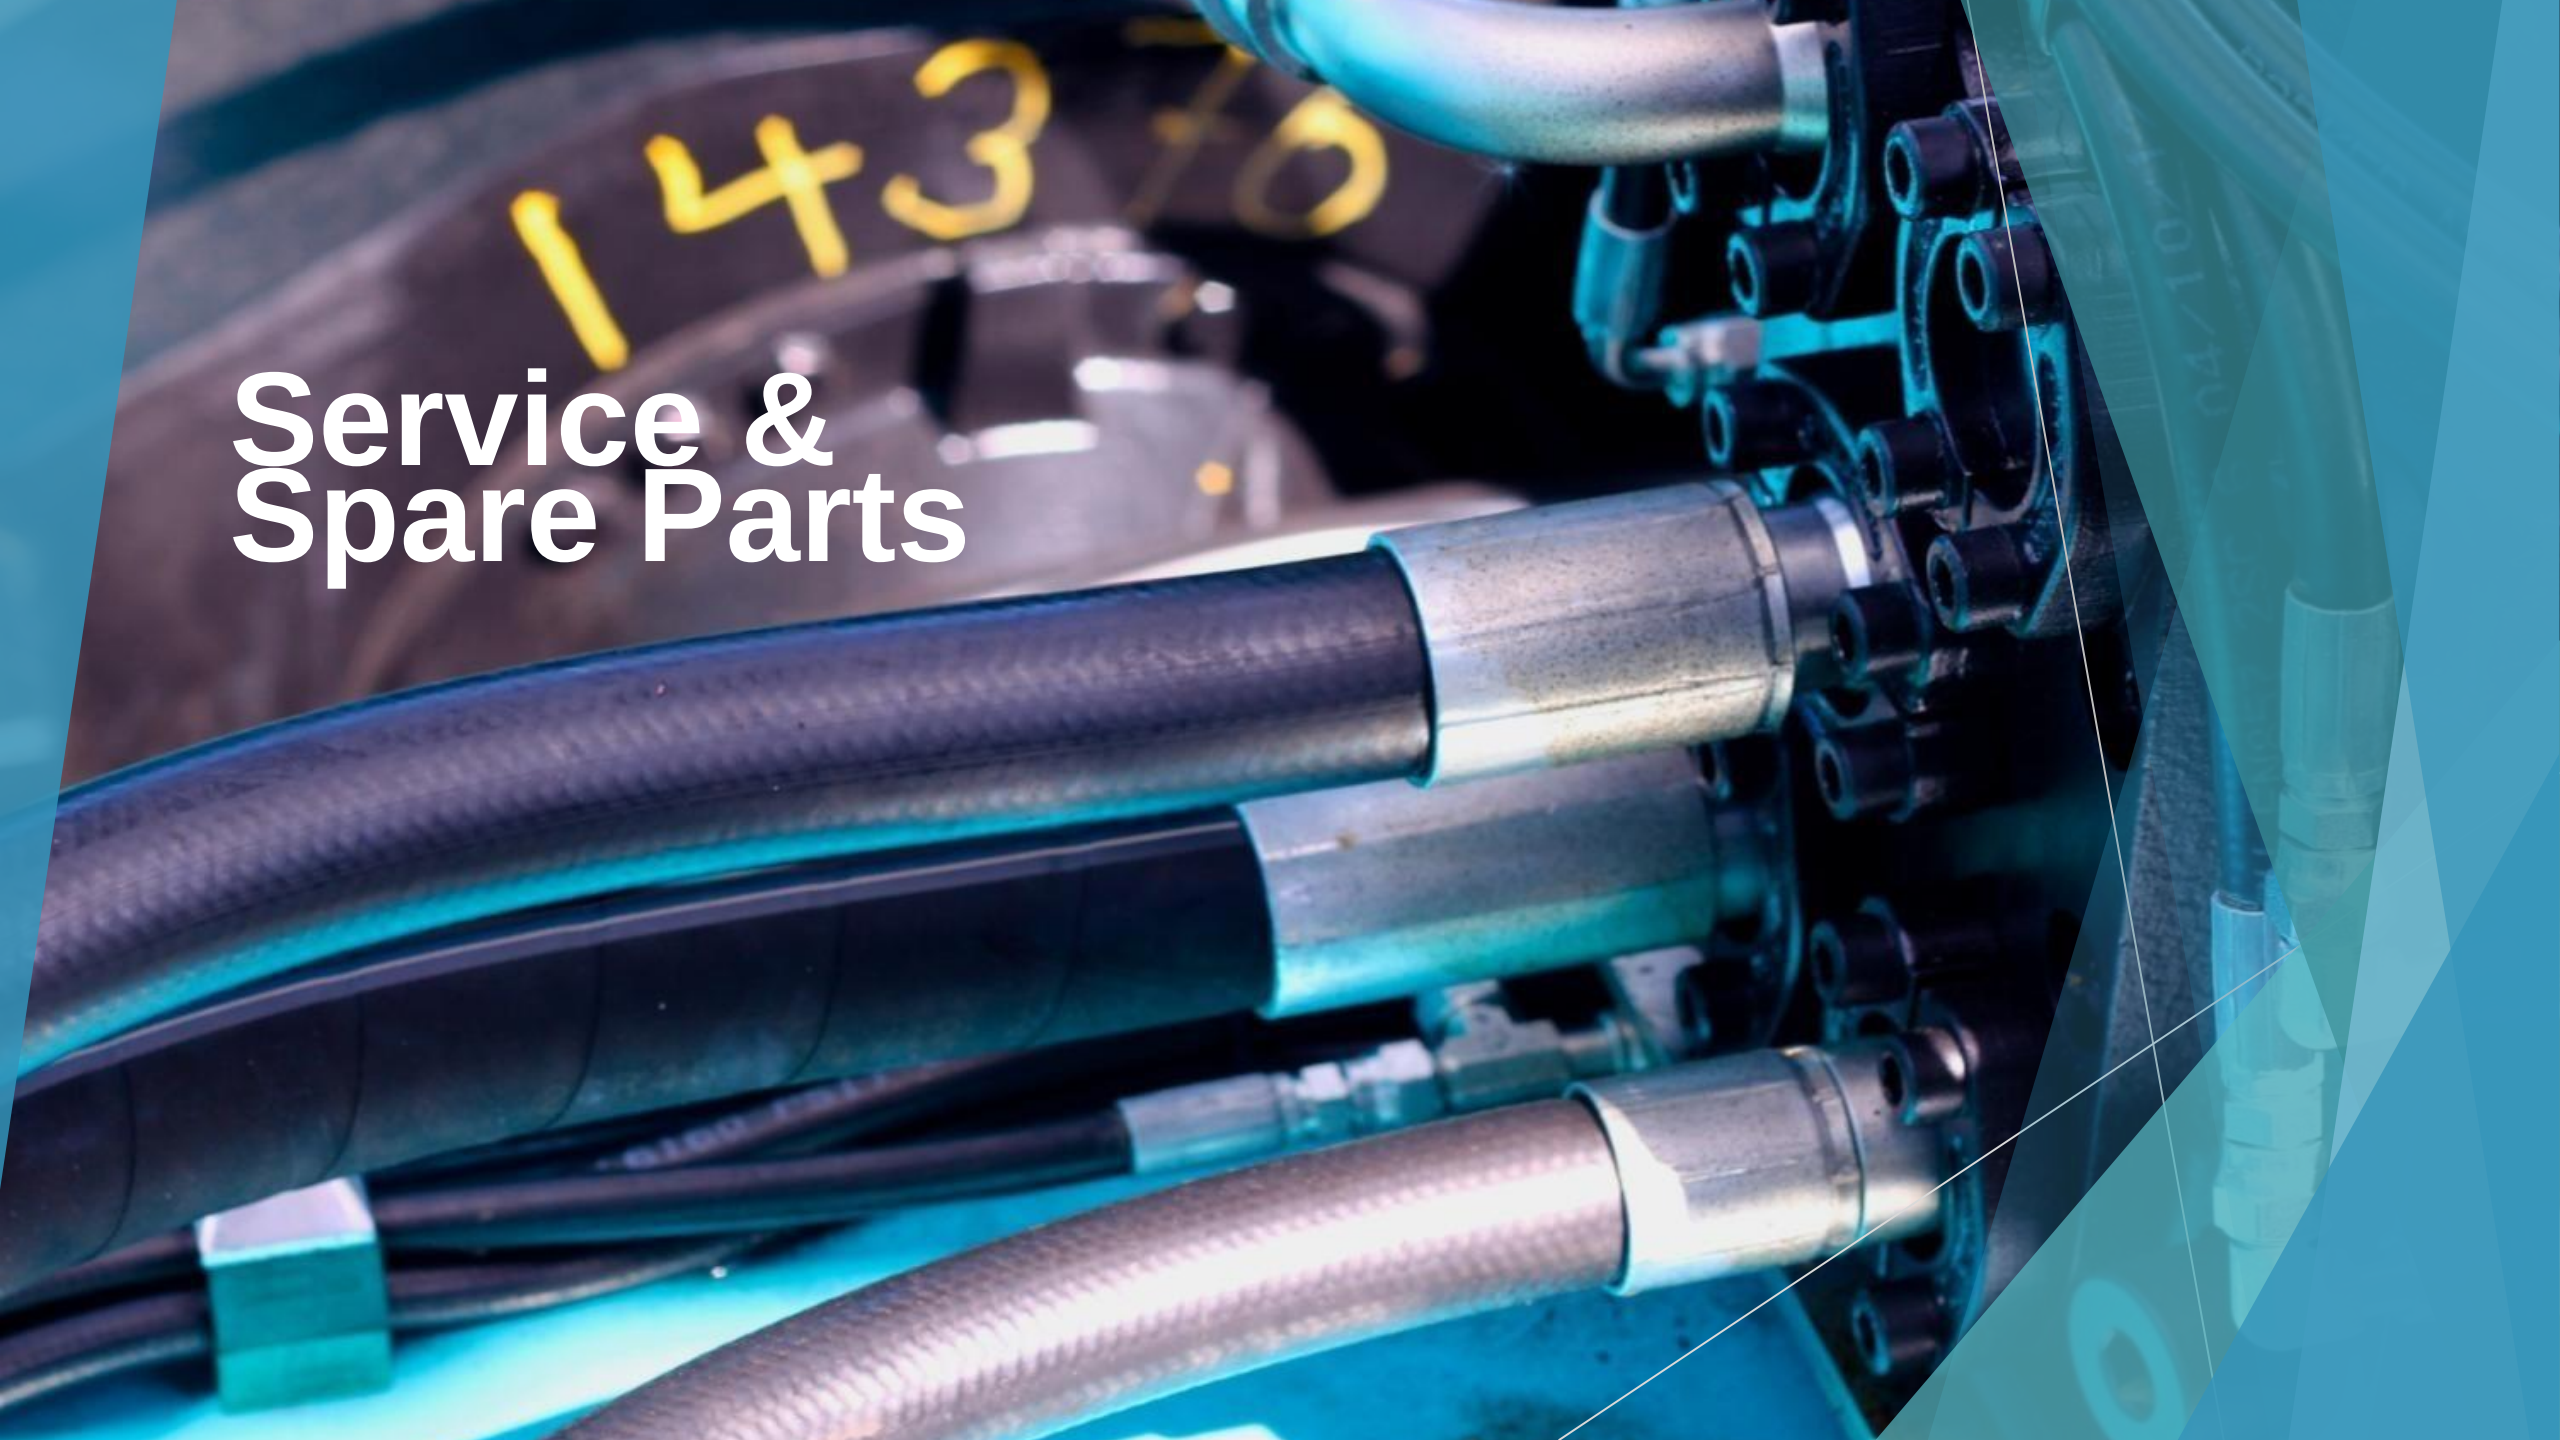

Why rent equipment?

- Maintenance
- Parts
- Service
- Repair
- Continental® Tires
- Batteries

= Value!

Our Rental Department

- Since 2003
- Currently approx. **1,000 active units**
- Available kingdom-wide
- Designated service & maintenance technicians
- Short- and long-term rental
- Complete material handling product range (currently > 70 different models)

A close-up photograph of industrial machinery, likely a pump or engine component. Several black, braided hoses are connected to metal fittings. A yellow identification number "14370" is painted on a dark metal part in the background. The image is overlaid with a semi-transparent blue geometric design on the right side.

Service & Spare Parts

Our Service & Spare Parts

- **Frequent training** and seminars for our technicians, conducted by our suppliers.
